### Kratek opis

Kamlok cap plug, DP type, Aluminium, Size 1 1/2, Plug Ø 53 mm, Operating pressure max. 16 bar, Temp. max. 68 °C  
Coupling system for quick and easy connection of two hoses or for joining one hose to a machine connection.  
A male part and a female part are joined together by shifting the handles.  
There is no need to turn the hose!  
Kamlok couplings are used for a wide range of applications in industrial plant and mechanical engineering, tank and container construction, the chemical industry, food processing, mining, refuelling systems, defence technology, etc.

### Tehnične Specifikacije

|                                |                                    |
|--------------------------------|------------------------------------|
| Min. temperaturno območje [°C] | -20                                |
| Tesnilo                        | NBR, resistant to oils and benzine |
| Velikost                       | 1 1/2                              |
| Max. obratovalni tlak [bar]    | 16                                 |
| Vtič Ø [mm]                    | 53                                 |
| A [mm]                         | 53.4                               |
| C [mm]                         | 57.0                               |
| Max. temperaturno območje [°C] | 68                                 |
