## [Locking plug »value line«, Supports 14 mm, nickel-plated brass](#)

Kategorija: [Plugs »value line« Series](#)  
Šifra: **129490RIE**

### Kratek opis

Locking plug »value line«, Supports 14 mm, Working pressure -0.98 to 16 bar, temperature -20 °C to 80 °C, nickel-plated brass

Low-priced yet very high-quality series of push-in fittings made of nickel-plated brass.

Compact, space-saving, lightweight design. An O-ring in the fillet at the end of the thread guarantees a tight connection for all male thread parts, even on rough surfaces.

Only recommended for use in combination with quick-connect fittings of the »value line« series. The suitability test for use with other series is the responsibility of the user.

### Tehnične Specifikacije

|                               |                     |
|-------------------------------|---------------------|
| Min. delovna temperatura [°C] | -20                 |
| Min. delovni tlak [bar]       | -0.98               |
| Material                      | Nickel-plated brass |
| Serijska                      | value line          |
| Tesnilo                       | NBR, silicone-free  |
| Šoba [mm]                     | 14                  |
| Max. delovni tlak [bar]       | 16                  |
| Max. obratovalni tlak [bar]   | 16                  |
| L1 [mm]                       | 39.5                |
| Max. delovna temperatura [°C] | 80                  |
