## Osn.ejektor SBP-C, izpust. vent., z dušilko, velikost šobe 1 mm

Kategorija: [Basic ejector SBP-C blow-off valve el. vac. switch](#)  
Šifra: **108393RIE**

### Kratek opis

Basic ejector »SBP-C«, Bleeder valve elec. vacuum switch, Silencer, Nozzle size 1 mm, Compressed air / vacuum connection 6/8 mm

Purely pneumatic vacuum generator that operates on the Venturi principle.

Compressed air enters the ejector at A and flows through the nozzle B. This results in a vacuum immediately behind the nozzle outlet, and air is drawn in through the vacuum inlet D. This air and the driving air leave the ejector via the silencer C.

Properties:

- Vacuum generator with a single nozzle, available in six power ratings, with a high maximum vacuum value (85%)
- Connection of compressed air and vacuum with push-in coupling
- Basic housing with connection facility for a vacuum switch
- Maximum suction capacity with minimum compressed air consumption
- Minimum size, low weight
- Various power ratings for optimised air consumption

Applications:

- For universal use in handling systems with very high dynamic movements
- Handling all kinds of air-tight components
- For use in separation systems where space is restricted
- Construction of ejector blocks for centralised or decentralised individual control of suction pads

### Tehnične Specifikacije

|                                       |                            |
|---------------------------------------|----------------------------|
| Dušilec                               | Plastic                    |
| Položaj sesalnega ventila v mirovanju | NO                         |
| Povezava                              | Push-in coupling           |
| Sistem šobe                           | Brass                      |
| Telo                                  | Plastic (impact-resistant) |
| Velikost šobe [mm]                    | 1                          |
| Dovod stisnjenega zraka               | 6 mm                       |
| Dovod vakuuma                         | 8 mm                       |
| Premer [mm]                           | 15.0                       |
| Višina [mm]                           | 50.0                       |
| Dolžina [mm]                          | 142.0                      |
